

ONEOK Scholarship Program Registration

Use the instructions below for setting up your new external login account.

1. Access the external *ONEOK Inc Scholarship Program Registration* portal at this web address:

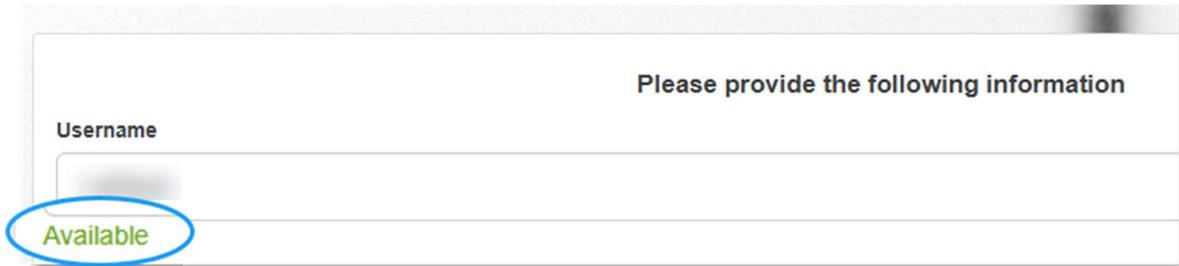

<http://registration.oneok.com/scholarship>

Then, complete the online form by following steps 2-9.

A screenshot of a web browser showing the registration form for the ONEOK Inc Scholarship Program. The browser's address bar shows the URL "https://registration.oneok.com". The page title is "ONEOK Inc Scholarship Program Registration". There are three buttons at the top right: "Login", "Forgot Username", and "Forgot Password". The main form area is titled "Please provide the following information" and contains several input fields: "Username", "Password", "Repeat Password", "First Name", "Last Name", "Email Address", "Mobile Number", and "Company Name". At the bottom left of the form is a reCAPTCHA widget with the text "I'm not a robot" and a small robot icon. At the bottom center is a green "Register" button.

2. Create a **Username**.

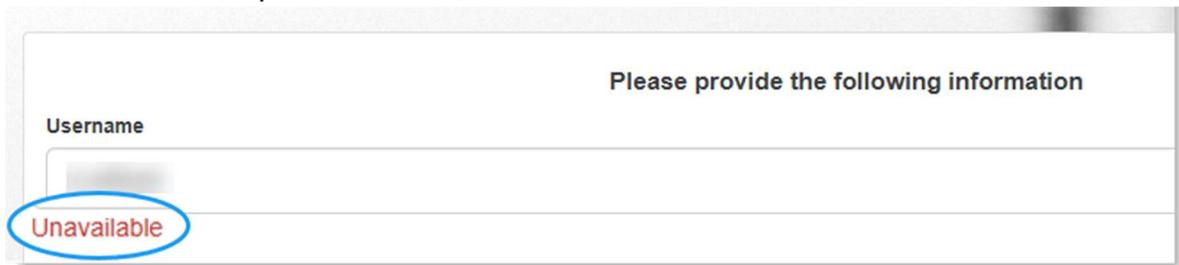

- a. If the username you created is available, you will see **Available** under the name you entered. You will need to make note of your username for future reference.
- b. Proceed to step 3.

The screenshot shows a registration form with the heading "Please provide the following information". Below the heading is a label "Username" and a text input field. The word "Available" is displayed in green text below the input field, indicating that the entered username is available.

OR

- a. If the username you created is already taken, you will see **Unavailable**. Create another name. When you see Available, make note of your username for future reference.
- b. Proceed to step 3.

The screenshot shows a registration form with the heading "Please provide the following information". Below the heading is a label "Username" and a text input field. The word "Unavailable" is displayed in red text below the input field, indicating that the entered username is already taken.

3. Create a **Password**. You will need to make note of your password for future reference.

Note: The password requirements are:

- Minimum of 8 characters
- Must include 1 uppercase
- Must include 1 special character

The screenshot shows a password input field with the label "Password" above it. The input field contains a series of dots, representing a masked password.

4. Re-enter the password you created in step 3.

Password

Repeat Password

5. Enter your **First Name** and **Last Name**.

First Name

Last Name

6. Enter your external **Email Address** AND **Mobile Number**.

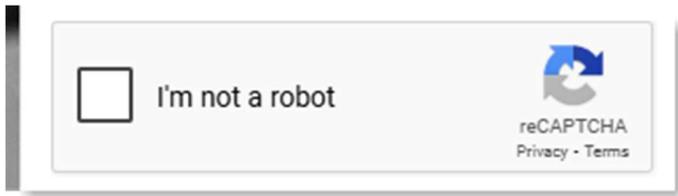

Email Address

Mobile Number

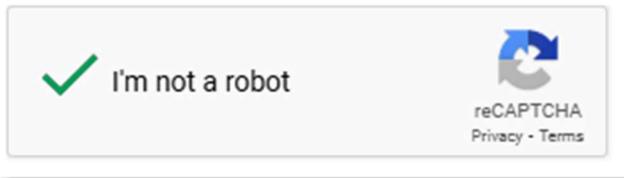

7. Leave the **Company Name** field blank.

Company Name

8. Select the checkbox **'I'm not a robot'** and complete the test.

You will see the green checkmark when successful.

9. Click **Register**.

10. You should see this screen indicating **You have successfully registered.**
